Subject: Request for Affiliation with "Respirare 2021- International Medical Conference" in B.J. Govt. Medical College and Sassoon General Hospitals, Pune.

Respected Ma'am ,

I, Mehar Kaur Matharu, Organising Secretary of Respirare 2021, on behalf of the students of B.J. Government Medical College and Sassoon General Hospitals warmly request your support and endorsement for Respirare 2021 - an International Medical Conference.

Respirare has been successfully organised each year since its inception in 2015. It began as a State Level Conference in 2015 which grew into a National Conference in the year 2016. Since the last three years, we are organizing it as an International Medical Conference. This conference comprises of Workshops, Lectures from the finest doctors of India, Debates, Symposium, Case and Paper Presentation and Quizzes. Each year we receive a great response from eminent doctors across the country as guest speakers. A lot of undergraduate as well as postgraduate students across the country participate as our delegates. The main aim of the conference is to provide a platform where all the young medical students can present their skills and enhance their knowledge about subjects of prime medical importance. Interactive sessions help to build an environment for the cumulative growth of all aspects of one's personality. The ultimate result is that all students get exposed to varied experiences through thoughts and ideas shared by our eminent speakers.

It would be a great honour for young medical students and our committee to be affiliated with AACCI for this prestigious academic conference. We request you to allow us to use your logo on our flexes and posters.

Thanking you in anticipation

Regards,

Yours faithfully,

Mehar Kaur Matharu
Organizing Secretary,
