

AACCI activities launched as part of HYHI project

July 8, Press Conference

A Press conference was held on 8th July 2008 .to announce a major initiative entitled '**Healthy Youth Healthy India**' Project'. The project, first its kind in India, will have a positive impact on the lives of the younger generation in the country. The Project will focus on 'Prevention of Lifestyle Diseases in Adulthood and Life Skill Education for Adolescents.

Press note

The '**Healthy Youth Healthy India**' Project' is being organized by Priyadarshni Academy in collaboration with Association for Adolescent Child Care in India (AACCI) & K C College. The program consists of Awareness Sessions and Workshops for students, parents, teachers and peer educators, and will be conducted initially for a period of 3 years through March 2011.

Mr. Nanik Rupani, Chairman, Priyadarshni Academy, **Dr. Swati Bhave**, Executive Director, Association for Adolescent Child Care in India and **Ms. Manju Nichani**, Principal, K. C. College, will address the Press Conference.

Date & Time: Monday, 14th July 2008 at 12.00 noon
Venue : K. C. College, Churchgate, Mumbai

The three organizations have taken up this unique project as part of there ongoing educational programme beneficial to the student community. Numerous colleges in Mumbai will participate in this project. Later on, the Project will be executed in other parts of the country.
